Do you agree that policing, regardless of where the money comes from, needs more funding?

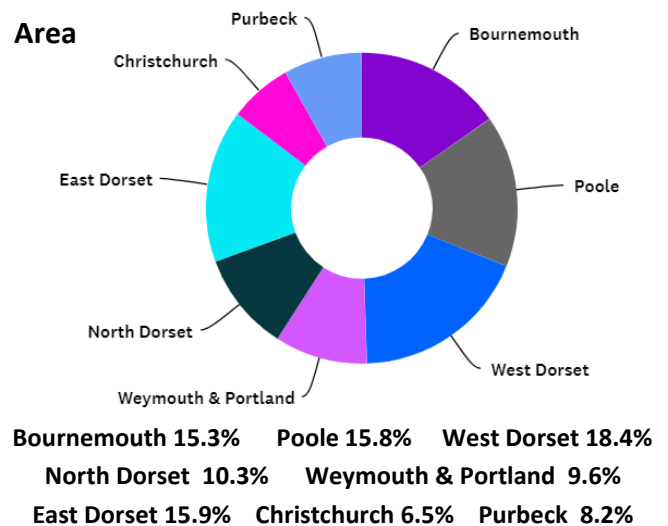

Are you willing to pay £2 a month to improve your policing service?

"The police are worth every penny we pay"

"I agree with the increase in police precept, provided that it results in an increase in front line police staff including PCSOs"

"As old age pensioners, we are finding it increasingly difficult to make ends meet and cannot afford to increase our expenses"

"We all pay more than enough tax"

"Bargain!"

"The Police should be funded by the Government"

"I would like to see more neighbourhood policing, officers actually walking the streets"
