M1	Detainee concerned that if in custody over weekend he will require anti-depressants and heart drugs. Has seen nurse.		In the hands of medical staff as required.			
V5	Detainee violent. Inspector explained was now calm. Viewed through the hatch.					
M4	No issues					
F1	Would like mother to be informed of arrest		Attempts made but no reply. Due to leave shortly			
M6	Requested a nicotine patch		Will be offered			
F3	Detainee extremely violent. He had destroyed toilet in cell and moved. Advised we could view but as was under constant observation decided not to do so.					
General Issues Raised						
Computer systems down so no logs viewed. We had no issues that required notes to be viewed online. Two violent detainees were in occupation. Whilst calm when we visited they had created a lot of disruption. However, despite troublesome IT and detainees, staff were coping well under pressure.
