3623	Seemed well, went to exercise yard.					
3615	Cell viewed. Food and reading material visible.					
3596	No issues. Appropriate response to requests in line with detainee's faith.					
3621	Appropriate Adult sourced promptly. No record in log of lunch given, detainees also raised this.					
3611	Mental health issues. Seen promptly by health care professional.					
3616	Detainee very upset. Log states no female in custody or first time in custody leaflets given due to there being no occurrence number on system. No record in log of leaflets having subsequently been given.					
<b>General Issues Raised</b>						
Arrived during hand over period. Calm atmosphere everything in order. Stores and kitchen checked, all well stocked. Escorting Officer (6321) willing to help. Contingency stock of leaflets discussed.						
<b>Response at Time of Visit</b>						
Does appear 3621 missed lunch due to being in interview. I printed off females in custody leaflet yesterday and they are available in trays.

3680	Detained 19 hours 26 mins. Detainee stated he is withdrawing. Had health care professional assessment and Criminal Justice Liaison and Diversion at 07.11 but is asking to see the nurse again.					
3705	Left custody before being seen.					
3707	Detained 27 mins. Detainee said he understood and declined interpretation but he didn't understand all our questions.					
3672	Detained 1 day 18 mins. Very complex mental health needs. Detention began 13:31 fist review 21:12. Noted in log. Cell noted to be very messy with spilt milk.					
3704	Detained 3 hours 3 mins. Detainee made bizarre references. Log records complex mental health needs. Criminal Justice Liaison and Diversion requested at 12:08, still awaited.					
3696	13 hours 3 min. Need for an appropriate adult recorded 03:12, no record of appropriate adult attending. Detainee afraid of having a panic attack, asked to see nurse. Note detention before 00:50, pre charge interview 08:38.					
3706	1 hour 9min. Detainee stated he was cold, has one blanket.					
3687	14 hours 23 min. Log noted detention before 23:22. Review of recharge 07:00. Detainees asked ICVs if the review had happened.					
<b>General Issues Raised</b>						
Suite feels calm, despite detainees with complex needs.						
<b>Response at Time of Visit</b>						
All notes noted and checks to be made in relation to the comments.

<b>Matters Raised to the Custody Officer</b>			<b>Action Taken by the Custody Officer</b>		
4294	No issues with current detention. However made allegations for assault and threats during a previous detention approx. 12 months ago in Bournemouth. Advised detainee to make an official complaint, detainee turned it down.		All noted, will remind on release.		
4272	Telephone call to sister terminated unexpectedly. Asked for painkillers but has not received them. Seen Healthcare professional at 09:40. Seen Samaritans and told them of thoughts of killing himself. Query risk assessment?		Will be leaving shortly but will ask if requires pain relief. Moved to camera cell. Visits were increased but not reflected in risk assessment.		
4299	Detainee tearful, no issues. Requested reading material.		Will offer reading material.		
4298	Well treated. Requested first time in custody leaflet.		Will provide first time in custody leaflet.		
4288	First time in custody, requested reading material.		Will provide reading material and first time custody leaflet.		
4292	Detainee violent. Visual check only. Detainee has a broken ankle has allegedly requested healthcare professional / doctor last night (no record in the log) 09:59 detainee became aggressive and uncooperative with the healthcare professional and Doctor. Query pain management?		Very difficult detainee. Had intimidated staff and refused to see healthcare professional. He can see healthcare professional at any time.		
4250	Requested custody record due to length of time in detention (48hrs). On remand from prison.		Detainee is due to see healthcare professional for medication, can always ask.		
4291	At interview.				
4293	Advised not to visit, violent.				
4295	Advised not to visit, violent.				
4278	Violent.				
<b>General Issues Raised</b>					
Pleasant atmosphere. Showers / stock room / stores all clean. Escorting officer very helpful. Custody records of detainees not seen presented to ICV's and rejected.					
<b>Response at Time of Visit</b>					
All detainees have access to the healthcare professional. 4250 in particular refused the healthcare professional but is due to see them for more medication.

4898	Detainee was asleep, seen to be breathing. Advised may be contagious and cell fouled. Detained 10 hours 20 mins.				
4879	Viewed through the hatch, evidence of food and drink. Detainee was calm, did not visit as did not want to aggravate the detainee. Detained 22 hours 24 min. No risk assessment complete after 22 hours. To see mental health team shortly.				
4664	Detained 3 hours 1 min. Detainee refused visit as wanted to sleep. Appeared fine but complained of pain on legs from ulcers. Has seen the nurse.				
4899	Detained 8 hours 26 mins. Requested to use the exercise yard.				
4888	Detained 17 hours 11 mins. Detainee had just finished an interview so interpreter was used for visit. No issues with care however detainee did not understand all the questions asked at booking in.				
<b>General Issues Raised</b>					
Calm suite, helpful staff. Viewed exercise yard, kitchen and stores. All well stocked and tidy. Empty cells clean and ready.					
<b>Response at Time of Visit</b>					
Thank you.

3571	No issues. Detainee very happy with his treatment.					
3585	Been in yard, very distressed. Assessed by mental health worker. Glasses are broken and detainee has been given a replacement. Complained about heavy use of handcuffs, noted in log. Declined to see the nurse.					
3576	Detainee would like a shower. Waiting to see the solicitor.					
3573	Detainee in interview.					
3586	Detainee in interview.					
3584	Detainee was happy with his treatment.					
3594	First time in custody. Brough in only a short time ago. Detainee would like some food.					
3583	Detainee would like a jumper as he only has a t-shirt. Otherwise all ok.					
3586	Detainee at hospital during ICV visit.					
3595	Detainee only just arrived and was being strip searched at the time.					
<b>General Issues Raised</b>						
Kitchen and store room well stocked and hygienic. Shower room and medical room seen, both clean and tidy. Custody staff very professional and helpful. Positive atmosphere prevailed.						
<b>Response at Time of Visit</b>

4600	Visit refused, consent to view log given. No issues.				
4592	Bulgarian speaking detainee. No translation sheets available so picture card used. One review was late.				
4599	Detainee has complex mental health needs, all documented. Detainee advised that the buzzer had been disabled from use intentionally. Would like younger brother to be checked on. Refusing food and drink.		Detainee has been constantly banging on the door and using the buzzer. This has been isolated to ensure other detainees needs are being met and he has been attended to at every opportunity.		
<b>General Issues Raised</b>					
Yard and kitchen checked. Concerned over stocks of jumpers as only size XXL left. Escorting officer advised there had been issues with delivery timescales. No socks. Feminine hygiene and incontinence pads well stocked. Escorting officer helpful and friendly.

<b>Matters Raised to the Custody Officer</b>			<b>Action Taken by the Custody Officer</b>		
5003	Detained 12 hours 20 mins. Medical concerns as detainee has a stab wound but this appears to have been well managed and detainee has been to hospital. Requested conformation that his child is in appropriate care. Shower requested.		Child is with grandmother.		
5007	Detained 8 hours 56 mins. Log shows detainee was intoxicated on arrival. Log states rights given but detainee seemed unaware. Initially at level 2 observations, appeared to move to level 1 but nothing recorded on the log. Detainee did not appear to have a first time in custody leaflet.		Detainee has been advised.		
<b>General Issues Raised</b>					
Calm suite, no issues. Both detainees visited requested extra reading material.					
<b>Response at Time of Visit</b>					
Noted.

5096	Detained 1 hour 15 mins. Complex mental health issues, well dealt with. First time in custody leaflet issued.				
5082	Detained 18 hours. On 30 minute observations due to head injury. Food, drink and reading material (including religious texts) issued. Very complimentary about treatment.				
<b>General Issues Raised</b>					
Visit started late as only one Sergeant and one Detention Officer. Observed handover and booking in procedure. Sergeant 2374 & Sergeant 1309 very accommodating all be it very stretched.					
<b>Response at Time of Visit</b>					
Can I have more staff please, Sergeant 1309.
