0640	Appropriate adult had been called.				
0625	Not seen as advised the detainee was violent. Detainee had been sectioned, however the secure ambulance had been delayed until the morning.				
General Issues Raised					
Suite calm, staff were very pleasant and helpful. The kitchen and store room were well stocked, however only one kind of female hygiene pack appears to be in stock, no sanitary towels available. Good brief from escorting officer (6321).					
Response at Time of Visit					
OPCC Response/Conversation					
The OPCC questioned Natalie around the lack of sanitary towel and she confirmed that it was later identified that there were sanitary towels in the pack, however they were so thin she did not recognise it as such.

11119	Detainee said he was cold. The recorded reviews of detention from 15:40 16/12/2017 were 16/12/2017 16:24, 17/12/2017 10:01, 17/12/2017 19:33, 18/12/2017 03:29. Pattern unclear.		Discussed re complicated reviews. I believe non pace review may have been missed.			
11162	Log records mental health issues and multiple medications required. Appropriate adult needed. No involvement of Health Care Professional in custody recorded since arrival at 02:25.		Community mental health team already aware and dealing with in the morning.			
11159	Detainee states he was cold, sweatshirt given. Temperature in corridor 23°C.					
11158	Detainee stated he was very cold, already had two blankets. Temperature in corridor 21°C.					
11129	Custody log notes that an appropriate adult has been identified. Detainee described care as 'brilliant' but did say he was 'freezing' and already had two blankets.		Regarding several detainees complaining of being cold then checks will be made today and will make Sodexo aware.			
11114	Refused interview. Appeared alert and able to consent.					
General Issues Raised						
Four detainees stated they were cold, the temperature in the corridor at the time of the visit was 21-23°C. All clean and tidy, exercise yard lit and escorting officer helpful.

9280	Was the detainee offered a change of clothes after the use of PAVA?		Once staff are available detainee will be given a shower and a change of clothes as they have now calmed down.			
9254	Delay in seeing the nurse after the foot injury was noted.		The detainee saw a health care professional and was taken to hospital after. Potentially this was due to a different injury.			
9256	Significant wait for an Appropriate Adult as there were none available.		Noted.			
9261	The custody log and whiteboard show different detention times. Query regarding water tap.		Noted.			
9259	Significant wait for an Appropriate Adult as there were none available. Are custody aware of their medical issues?		Will check regarding medical issues.			
General Issues Raised

9336	Complex mental health issues, care plan in place.					
9349	At 00:56 level 2 observations were recorded in the log however there is no record of visits between 02:04-03:37. Complex mental health needs have been noted.		The log has been checked and this may be a recording error.			
9329	Very complex physical and mental health care needs, noted effort to obtain medication.					
9365	Mental health issues noted, shower was not available at 17:49 due to staffing levels. Detainee appreciated the variety of food on offer					
General Issues Raised						
Whilst advised of difficulty with supply of reading material it is in short supply with little variety. Empty sachets were seen on shower floor otherwise stores and kitchen were well stocked and tidy. Noted 3 prison lock outs in custody.						
Response at Time of Visit						
Custody Manager's Response						
With regards to 9349 – The potential recording error has been discussed with the officers responsible. It was good that this was picked up on by the ICVs.						
Scheme Manager's Response						
An email was sent out to all ICVs on 27/10/2017 asking if they have any old books or magazines they wish to donate to custody, Especially any in a foreign language.

General Issues Raised						
Four detainees are foreign nationals, three Albanian and one Kurdish. There were no ICV translation sheets for either of these languages. Can this be resolved for next time please? All four detainees were given codes of practice information in the appropriate language.						
Response at Time of Visit						
Will ensure more language available. Custody support to complete.						
Scheme Manager's Response						
Additional versions of the ICV translation sheets have been sourced in Albanian, Farsi, Hungarian, Kurdish Sorani, Spanish and Swedish and sent out to all custody suits.
