Dear Danni,

Having gone through your website I cannot see a service that would give all stalking victims specialist support. I am therefore minded to say you do not have services for stalking victims, can you confirm you are happy with my assessment?

Many thanks,
[REDACTED]

Hi [REDACTED]

Thanks for your email and apologies if our original FOI response was not particularly clear. However we would disagree with your assessment that we have no services for stalking victims for the following reasons:

- We commission Victim Support to provide support services for victims of crime, which will include non-domestic abuse victims of stalking and harassment. Funding for Victim Support over the financial years requested was :

2015/16 – £438,466
2016/17 – £438,466
2017/18 – £438,466

- We have also funded the Victims Bureau, part of the Victims Hub with Victim Support, as follows:

2015/16 - £230,800
2016/17 - £129,430
2017/18 - £127,762

Further information on both of these services is available on our website:

<https://www.dorset.pcc.police.uk/working-in-partnership/victim-care/>

- In June 2017 we provided a community grant (£2,820) for the You Trust Stalking Clinic:

<https://www.dorset.pcc.police.uk/working-in-partnership/safer-dorset-fund-projects/community-fund/above-and-beyond-bournemouth/>

- We also provide funding for a number of other services which, whilst stalking and harassment may not be their primary function, may provide support in such circumstances as appropriate – include domestic abuse and sexual violence services

I hope that this is helpful and please let me know if you have any further queries regarding this.

Kind regards
Jason
